International symposium on cell signalling and ovo implantation

79. SYED SIBTEY RAZI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether some International symposium on cell signalling and ovo implantation was held at A.I.I.M.S. in recent past;

(b) if so, names of leading experts country-wise, who participated in it;

(c) what was the chief objective for organising such symposium;

(d) whether symposium experts have suggested some measures for human reproduction for better control of fertility and infertility;

(e) whether Government propose to take some action on these suggestions; and

(f) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI B. SHANKARANAND): (a) Yes, Sir.

(b) As per list enclosed at Statement (*See* below).

(c) The main objective for organising the symposium was to exchange information on recent developments in the rapidly advancing fields of early developmental biology, cell signalling and ovo-implantation and also, of assisted reproduction and biology of genads.

(d) to (f) The Government have not received any report of the symposium from the organisation.

Statement

The names of leading experts country-wise who participated in Symposium

BANGLADESH: Dr. R. Maru, International Centre for Diarrhoeal Disease Research in Bangladesh.

CHINA: Dr. Y. C. Yan, Shanghai Institute of Cell Biology, Shanghai, Dr. H. Z. Wang, Shanghai Institute of Planned Parenthood Research, Sanghai Dr. J. B. Wang, National Research Institute for Family Planning, Beiging, Dr. Z. M. Zhu, Balian Medical University, Balian.

INDIA: Dr. Chandrima Shaha, National Institute of Immunology, New Delhi, Dr. M. Majalakshmi, All India Institute of Medical Sciences, New Delhi, Dr. R. V. Thamsan, University of Hyderabad. Dr. M. L. Madan, National Dairy Research Institute, Karnal. Dr. PR. K. Reddy, University of Hyderabad. Dr. Anand Kumar, All India Institute of Medical Sciences. Dr. T. D. Nandadkar, Institute for Research in Reproduction, Bombay, Dr. Chandana Das, All India Institute of Medical Sciences, Dr. V. P. Kamboj, Central Drug Research Institute Lucknow—Dr. Mridula Chowdhury, India Institute of Chemical Biology, Calcutta. Dr. C. P. Puri, Institute for Research in Reproduction, Bombay. Dr. S. Roy, Reproductive Health Foundation, New Delhi. Dr. B. N. Pandey, Ministry of Planning and Programme Implementation, New Delhi, D.. B. J. Coyaji, KEM Hospital, Pune. Dr. K. B. Pathak, Institute for Pesodation Sciences, New Delhi— Dr. T. C. Anand Kumar, Reproductive Health Clinic and Research Centre Bangalore. Dr. G. P. Talwar, National Institute of Immunology, New Delhi. Dr. S. Pachauri, Ford Foundation, New Delhi, Dr. B. N. Saxena, Council of Medical Research, New Delhi. Ms. R. Chhabra, New Delhi. Dr. L. M Nath, All India Institute of Medical Sciences, New Delhi. Dr. V. Ramalingaswami, All India Institute of Medical Sciences, New Delhi. Dr. J. Sengupta, All India Institute of Medical Sciences, New Delhi.

SWITZERLAND: Dr. D. Sakka, University of Geneva, Geneva. Dr P Bischof, University of Geneva, Geneva. Dr. R. Johannisson, International Committee for Research in Reproduction, Geneva. Dr. Egen Diczfalway, UNDP/ UNFPA/WHO/World Bank Social Programme of Research Development and Research Training in Human Reproduction, Geneva.

U.K.: Dr. K. D. Brown, The Banraham Institute, Cambridge. Dr. S. Smith, University of Cambridge, Cambridge, Dr. R. G. Edwards, Bourn Hall, Cambridgeeshire.

U.S.A.: Dr. J. W. Pellard, Albert Einstein College of Medicine, New York. Dr. R. M. Roberts, University of Misseuri, Misseuri, Dr. C. A. Buck, The wistar Institute Philadelphia.

The Chief objective for organising the sympossium was to provide information on recent developments in the rapidly advancing fields of early developmental biology, cell signaling and ovo-implantation and also, of assisted reproduction and

biology of genads; and to obtain integrated approaches, directives and strategies for comprehensive research and action in sexual and reproductive health through interactive involvement of exports from many related fields.

Monitoring of Plague

80. SHRI VIREN J. SHAH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether in 1989, the Bangalore based Plague Surveillance Unit (PSU, the nodal agency for monitoring the dreaded disease in India has been reporting incidents of seropositivity to the National Institute of Communicable Diseases (NICD);

(b) if so, what are the details in this regard;

(c) how many rats were subsequently tested seropositive annually during the year 1990. 1991, 1992, 1993 and 1994 and at which places and with what results; and

(d) what remedial measures were taken since then to prevent the outbreak of the epidemic?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI B. SHANKARANAND): (a) and (b) Yes, Sir. Out of 20456 rodent sera samples tested in 1989, 3 were found positive.

(c) and (d) The sero surveillanace of rodents has been continuously undertaken by the Plague Surveillance Unit at NICD at Bangalore and the results were regularly communicated to the NICD, New Delhi and to the State Health Authorities and other implementing agencies for necessary action. The details of rodent sera tested and number of positives detected during the years 1990 to 1993 are as under:—

Year	Rodent sera	No+'ve
1990 . . .	32664	4
1991 . . .	45301	50
1992 .	54626	135
1993 . . .	51649	21

Death of patients in ICU of LNJP Hospital

81. SHRI KRISHNA KUMAR BIRLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that two patients admitted in the ICU of the Lok Nayak Jai Prakash Naram Hospital died recently due to failure of the oxygen supply;

(b) if so, whether Government have made any inquiry into causes for failure of the oxygen supply to the patients; and

(c) if so, what is the outcome thereof and what action has been taken by Government in the matter?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI B. SHANKARANAND): (a) No, Sir.

(b) and (c) Do not arise.

Spread of Hepatitis in the Capital

82. SHRI KRISHNA KUMAR BIRLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the attention of Government has been drawn to a Press news-item captioned "Hepatitis epidemic feared", as reported in the 'Statesman' of 13th November, 1994;
